Title: MODIFIED SURFACE ANTIGEN

**NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS UNDER
37 C.F.R. § 1.27(g)(2) AND REQUEST FOR EXCUSED ERRONEOUS PAYMENT OF
PRIOR FEES AS SMALL ENTITY UNDER 37 C.F.R. § 1.28(c)**

Applicants, by their undersigned attorney, hereby notify the U.S. Patent and Trademark Office that they are no longer entitled to status as a small entity with respect to the above-identified patent application and that the claim for small entity status previously asserted is hereby withdrawn.

Applicants also request to be excused for paying fees as a small entity since the filing of this application, as the undersigned attorney was just recently informed by his Australian patent agent with whom he has been cooperating regarding the filing and prosecution of this application that rights to this application have been the subject of an option to and then an exercised license to a large entity. The prior designation as a small entity and the payment of all prior fees on a small entity basis have been by error without deceptive intention.

The information required by 37 C.F.R. § 1.28(c)(2) is set forth in the table on the next page of this document.

The deficiency in the amount of \$6,302, as well as any further deficiency in this calculation, is authorized to be charged, and any refund due if the amount calculated is incorrect, is authorized to be credited, to the undersigned attorney's law firm's Deposit Account No. 501017.

In view of the information and authorization to pay the deficit based on the erroneous designation as a small entity as set forth above, excuse of such erroneous designation without deceptive intent is respectfully requested.
